READ! WHITE MEN, READ!

Pennsylvania to be Reconstructed!

Her Government Not Republican!

The Sumner-Kelley Negro Equality bill to be Passed at Once.

Judge Williams to Enforce It.

The Last Disguise Cast Aside!

If there is a man in Pennsylvania who still doubts that the Radicals are determined to force Sumner's universal negro suffrage and negro equality bill through at the next session of Congress, to him especially do we commend a perusal of the account of the "Equal Rights Meeting" at Wilmington, Delaware, as reported at length in Forney's *Press* of yesterday. The assemblage is said to have been large, and the special reporter of the *Press* exhausts the vocabulary in describing the exciting scenes of the occasion. We make the following extracts:

[Special Correspondence of the Press.]

WILMINGTON, September 4.

The largest political meeting ever held in the State of Delaware assembled yesterday at Wilmington, to demand *the recognition by law, over all the country, of the entire equality of all American citizens in all civil and political rights, without regard to color*, and to appoint delegates to a Convention of the Border States, to be held at Baltimore on the 12th instant, *to solicit the passage by Congress of the Sumner-Kelley bill establishing impartial suffrage throughout the whole Union.*

The vast assemblage convened in and overflowed the large hall of the Wilmington Institute, and was called to order at twelve o'clock.

After the appointment of a long list of officers, part negroes and part white men, the *Press* goes on to say:

A list of a hundred delegates to the coming Convention at Baltimore was then read by Samuel Bancroft, Jr., Esq., and unanimously adopted, *a third of the delegates chosen being colored men, about six hundred of whom were present at the meeting.*

The following resolutions as read by Mr. Harrington, were received with the greatest enthusiasm, and adopted by acclamation, the whole audience rising to their feet:

Resolved, That the theory of our government, the claims of impartial justice, the equal rights of citizens, and the loyalty and faithful services of the colored people, *demand that the right of suffrage shall be extended to them in common with all other loyal citizens; and we respectfully petition Congress to confer and secure this right at the earliest possible period*, by such legislation as they may deem right and appropriate.

Resolved, That in the State of Delaware there does not exist a Republican form of government because of the exclusion of a large number of her colored citizens from participation in the enjoyment and exercise of political rights, and because of the gross inequality of representation in the Legislature, whereby less than one half of the citizens wield the power of the State. We hereby call upon Congress to assure to us the guarantees of the Constitution of the United States in every particular.

Resolved, That we demand the recognition by law of the entire equality of all American citizens, without regard to color, in all civil and political rights and privileges, and the protection and encouragement of the Government to enable every man to occupy whatever position his virtues and intelligence may qualify him to hold.

John Andrew Jackson Cresswell, of Maryland, an ex-United States Senator, made a long and exceedingly Radical speech, demanding that the Sumner-Kelley bill be passed at the very beginning of the next Session of Congress. He took the ground that no State which refused the negroes a vote or the right to hold office could be said to have a republican form of government, and expressed the firm conviction that the next Congress would at once pass a law abolishing every distinction between the races in every State of the Union. A prominent Radical Congressman from Pennsylvania followed the blustering ex-Senator from Maryland. We give the *Press*, report of how he was received and what he said:

The colored band of Wilmington then played "Hail to the Chief," when the president, amidst a perfect storm of enthusiasm, introduced Hon. William D. Kelley, member of Congress from Philadelphia, the colored portion of the audience especially rising to their feet and giving nine cheers for the Judge, whom, since his Southern tour, they seem to consider their especial spokesman in the halls of Congress.

The Judge said he could not help thinking how rapidly the world does move and how good old John Brown's soul is leading it on. He hoped that some one of the distinguished delegates just appointed to attend the Border States' Convention would bear to it a message from him, viz: that he endorsed every word of the admirable resolutions reported by his friend General Harrington. He saw early in the war that it was the duty of the Government to rally all of its citizens around its flag, and to allow all to peril their lives in its defence. From the beginning of our great conflict he saw that an imperilled country needed the aid of four millions of its most robust citizens, and felt that the Almighty would not allow victory to perch upon our banners till we at last did justice to our American citizens of African descent. And now we need the political power of these four millions of people, as we needed their military power before. Without their aid we cannot reconstruct a single loyal State in the South. Some time a state government must be organized there. We cannot send white men there because they do not want to go, and if they did they would hardly be welcomed by their white brethren. But in all those States there are brave and true men, who all through the war perilled their lives in gallantly serving their country in their humble way. But it is said these black heroes are ignorant. How many of the "white gentry" (?) of the South are the reverse? The last census shows that in Virginia alone 70,000 whites don't no B. from a bull's foot." So in all the other States of the ex-Confederacy.—Yet these ignoramuses are to be clothed with all political privileges, rebs as they are, because they are white.

Judge Kelley logically reviewed the present State of Southern society, illustrating by the experience of his late tour, through the reconstructed region, the necessity of impartial suffrage as the sole remedy for the political evils now afflicting the Southern people.—*He believed that, in the logical course of events, the colored man would, by the year 1870, vote in both Maryland and Delaware.* He refered to a speech made by him as long since as February, 1866, advocating the constitutional right of the Congress to regulate suffrage in all the States, and supported the positions then assumed by him with ample legal arguments. He next took up and considered the relations of the labor question to that of suffrage, showing their intimate connection and the importance to the Northern laboring man of the adoption of principles of civil justice. By his well-known mixture of wit, logic and sarcasm, the Judge carried conviction to many previously doubting minds on this important branch of the suffrage question, and was repeatedly greeted with loud applause. He then resumed:

The hour of triumph will come to the loyal men of the Border States long before it is expected. The fine arts, the mechanical arts and religion itself, are all the on side of right. No poet ever sung the praises of slavery; no painter limns on his canvas the grandeur of tyranny; no sculptor perpetuates in marble the wrong-doer or the oppressor. God and nature are on our side. *We have determined that the bondman, his broken shackles yet clinging to him, shall vote, shall enter the jury box, and shall have all the rights of a citizen.*

The North and South have alike entered on a new and grander march of progress, but our work is even greater than the regeneration of our own bright land. The eyes of all Europe are upon us, and the struggling millions of the Old World begin to realize that what America is doing, England, France and Italy *may* do. Let us then cheer and gladden the hearts of the oppressed every where, and make our land in the future, as in the past, the lode-star to which all lovers of liberty will be attracted.

The Judge closed amidst great enthusiasm, and after three tremendous cheers for Kelley, the convention, on motion of General Harrington, adjourned *sine die*.

Comment upon the above account would be superfluous. None is needed. The resolutions speak for the Radicals of Pennsylvania as well as for those of Delaware. The Keystone and the little Diamond State are in the same boat. In the estimation of Congress neither of them has a republican form of government. They will both be reconstructed by the Sumner-Kelley bill, unless Radicalism receives a check in this State at the coming election. The Yankee Judge Williams is a firm believer in the high-flown rhapsodies indulged in by Bill Kelley. He is pledged to decide the Sumner-Kelley bill to be constitutional and binding on every election officer in Pennsylvania. He will not deny that charge. No Republican paper dare deny it for him. It is part and parcel of the plan of the present political campaign. The Republican press in different parts of the State have so announced it. The issue is fairly and squarely made up, and it must be boldly met. Nothing can prevent the passage of a bill making all the negroes of Pennsylvania the full political and social equals of the whites, except the election of Judge Sharswood. Even that may not be sufficient to deter Congress; but with him upon the bench of our Supreme Court the obnoxious law could not be enforced.

We hope every Democrat will put this article into the hands of his Republican neighbors. They might not believe what we say, but they cannot refuse to credit Forney's *Press* and Judge Kelley's speech.—*Lancaster Intelligencer.*

POLITICAL REACTION.

The conservative triumph in California, which in 1864 gave a radical majority of 20,000, evinces, we trust, the beginning of a reaction from the unfounded assumptions and excesses of ultraism which it is to be hoped will extend throughout the country. It is true that the radical party was divided on the Governor, but the general result, including the Legislature and Congressmen, cannot be ascribed to the split upon the Governor, or even if it be admitted that personal issues and discords are already obtaining such ascendancy over party discipline in the radical ranks as to produce such results as we see in California, it is a symptom of elements of disintegration and decline within itself which is of hopeful augury to the best interests of the country. It is evident, however, that broader issues than those of a personal character have revolutionized this important western State, and that whilst the result is not indicative of a mere party reaction, or of any tendency to revive political ideas which belong to a state of things that has passed away, it is a distinct and emphatic condemnation by men of all parties of the false political theories, extravagant assumptions and wild experiments in government which ultraism has endeavored to build on the changed state of things brought about by the war. No State has exhibited or can claim greater devotion to the Union or a firmer purpose to abide by the legitimate consequences of the war than California, but the significance of the late surprising revolution is in its expression of the idea that the interests of country are superior to those of party, and that any party which jeopards and sacrifices the welfare of the country for political purposes is unworthy of public confidence.

The result in California is the more remarkable because it was achieved not only without, but against, the office-holding patronage and influence. Without and against the action of these powerful agencies, and with very little of disciplined organization, the people of California have overcome the heretofore large radical majority in that State, and emphatically declared against the destructive spirit which has so long prevailed in the national legislature, and which is threatening to go to still greater extremes. The diminished radical majorities in New Hampshire, Rhode Island, West Virginia, and now in Maine, the conservative triumph in Connecticut, and the signal political revolution in California, encourage the hope that a turn of the tide of popular sentiment has begun in the North and West which will end in the redemption of the country from the ruinous counsels which have hitherto been in the ascendant. It is to be hoped that these results will animate conservatives in the elections about to come off in the Middle States to make a powerful struggle for the deliverance of those States from radical misrule, and for the consumamtion of a triumph which will preserve the constitution, restore the Union in fact, as well as in name, and give peace and prosperity to the land. The people of the United States are heartily tired of turmoil and disorder and the paralyzing effects upon all the great interests of the country, which bid fair to become chronic, unless the popular voice shall be heard in such tones of condemnation as will compel Congress to change its destructive policy.—*Baltimore Sun.*

HOOK-EM-SNEEVY!

Radical Effort to Humbug Tax-payers!

Let the People Read!

The Harrisburg *Telegraph* makes a "big blow" about a reduction of the State debt. It claims that $1,794,644 have been paid in one year without collecting one single dollar from the farmer and mechanic in the shape of tax on his Real Estate. It neglects to state however, in what other shape the tax has been levied and collected. Geary, Kemble and Hartranft have not paid that amount from their private pockets, and there is not the remotest probability that the shoddy thieves advanced the money. It is not true, however, that not a dollar of this amount was collected as a tax upon real estate. In 1866 an act was passed remitting the real estate tax, but there is no evidence that it has been discontinued. There is abundant evidence, however, that the taxes upon the people—the "mechanic and farmer" included—have been more than doubled during the past year.

These same parties—who now announce this reduction of the State debt—lately sent requisitions to the various county authorities for amounts of money aggregating (judging from the amounts claimed from Berks, York, Fayette, Allegheny, Indiana and Westmoreland) fully two million dollars ($2,000,000.) This, they said, was to be paid in lieu of the real estate tax for 1866 and 1867. The additional sum thus demanded amounts, for each of those years, to nearly the total of the original levy, and the whole sum for both years will have to be paid during the present year. To do this a new tax levy will have to be made. The State officials can well pay off $1,794,644 of the State debt out of the $3,000,000 in the Treasury, when they have so good a prospect of getting $2,000,000, before the year is out, by means of an extra tax levy. By that time, however, the people will have learned, to their cost how State debts are reduced under Radical officials. Those who paid real estate tax from 1865 to the present time know that there has been no reduction in their taxes. When they come to pay during this year, the extra levy for 1866 and 1867, they will discover, also, that their taxes have been more than doubled over 1864 and 1865.

Not only are the people required to pay in extra taxes the whole sum thus denominated a "reduction of the State debt," but they are required to make up, in the same way, about three hundred thousand dollars for increased salaries authorized by the late corrupt Legislature; about one million dollars for sums squandered in contracts and donations to political favorites by the same body, and about half a million dollars lost to the State on the twenty-three million loan, by paying six per cent. interest on untaxed bonds to take up taxed bonds of the State bearing five per cent. interest.

It is entirely too late in the day to set up a claim of good management in finances for Radical officials—State or Federal. The people have a constant refutation of the claim in the vast burden of taxation under which they are wearily plodding, and, whilst comforts are abridged and all luxuries are debarred the majority of the working classes, it will require something more tangible than words to convince them that the Radical State administration is a success. *When the people feel relieved, they will not need to be told that their burdens have been lightened.—Patriot & Union.*

GRUMBLERS.—These are everywhere and they seize upon everything which goes wrong, to find fault about. If a mosquito flits across their pillow, the announcement is made next morning that not a wink of sleep had they during the night. A slight pain is magnified into cholera, and a grumbling toothache into excrutiating torture. If the sun shines it is too hot, and if it rains it is too wet. If they lose a dollar, ruin stares them in the face, and anticipated sickness is kept constantly on the slate.

THE TWO CANDIDATES.

In one of her letters to the Chambersburg *Repository*, (Radical), Mrs. Swissheim gave the following as her estimate of the Radical candidate for the Supreme Court. It may be premised that Mrs. S. is a thorough-going Radical, a shrewd observer, and probably as good a judge of mental abilities and stamina as any one of her sex in public life:

It appears to be an acknowledged fact that the Pittsburg bar is to-day as little burdened with brains as at any period since it was a bar—and no better evidence of its appreciation of *respectable mediocrity* could be offered than the selection of Judge Williams for the Supreme Bench. In '41 and '42, when he was a law student in the office of Judge Lowrie, I had some business in settling my father's estate. Judge Lowrie was my attorney. Going to the office one day, I found him explaining to Mr. Williams and another student a point of law, and he asked me to sit down and wait. I sat down and had the benefit of the explanation; heard the questions propounded by Mr. Williams and the other, and the going over and simplifying the case by the teacher. I sat in blank amazement, wondering if that little man ever, *ever*, EVER, would get enough law into his head to make any kind of living by letting it out in quantities to suit customers; but he is sober, industrious, patient, and plodding, and after all his dullness of comprehension, did learn a good deal of law, and I think that in any case which was well established by precedent, and which had been carefully and lucidly explained, and simplified, he could understand it, and would decide according to the best of his knowledge and belief. When he comes to a new field of investigation, the saints have compassion on the poor, fat, short, puffy man. What a time he would have wading, floundering—and what a muddle he would be likely to make of it! A man of active brains would not be likely to run quite as much to that substance most valuable in whales, and if the Republican party of Pennsylvania have *no better material* out of which to manufacture a Supreme Judge than Hon. W. W., or H. W., or W. something of Pittsburg, *they had better vote for the Democratic candidate, whoever he may be, on the ground that they cannot be worsted.*

In contrast with this notice of Judge Williams, of Connecticut, from one who, like him, is attached to the principles of the Radical party, we present the following tribute to Judge Sharswood, of Pennsylvania, from the pen of Hon. F. B. Penniman, of the Pittsburgh *Gazette*, a leading Radical organ in the Western part of the State:

In nominating Judge Sharswood, as their candidate for the Supreme bench, the Democrats have *made a wise selection* for themselves during the progress of the canvass, *and for the people of the whole Commonwealth in case he should be elected.* He is as suitable a man for the place as they could have brought forward. Naturally of sound and discriminating judgment, his faculties have been matured by thorough study and a large and varied experience. His reputation as a man is unblemished. Indeed, he is a consistent and honored office-bearer in the Presbyterian church. *As a magistrate, a suspicion of unfairness or partiality has never been raised against him.*

WHO ARE THE REBELS?—The Radical journals think it is a very smart thing to speak of the forty or fifty thousand Democrats and Conservatives who have just voted against Republicanism in Kentucky as the "rebel" majority, but they may rest assured the day has gone by when that silly display of partizan malice will deceive anybody. The truth is, there are no rebels in this country except the Radicals. Jeff. Davis never was a worse rebel at heart than, for example, the members of the Rump Congress who voted the other day to exclude Kentucky members from their seats. The rebels, in arms, fought to dissolve the Union, but they did their work openly and above-board—not in the sneaking, hypocritical way affected by the Radical rebels, who, with eulogies of the Union eternally upon their lips, are exerting all their energies to keep that Union divided.—*N. Y. Express.*

That's so!

TAX PAYER! your attention to the following figures, the correctness of which cannot be truthfully denied nor successfully contradicted:

Cost of the Legislature of 1867,	$265,861 16
Cost of the Legislature of 1847,	42,276 19
	$223,584 97

Behold this difference, tax payers!—Your Legislature of 1867, with John W. Geary as Governor, has cost you just $223,484 97 *more* than did your Legislature of 1847, with Francis R. Shunk as Governor. Think of it, ye tax-burdened voters of Bedford county, and remember that Weller and Richards, who now seek a re-election at your hands, voted for this enormous increased expenditure of your hard earned taxes.

TO KEEP POTATOES.—A correspondent of the *Scientific American* says that he has tried the following method of keeping potatoes for years with complete success, though in some instances the tubers were diseased when taken out of the ground:—"Dust the floor of the bin with lime, and put in about six or seven inches of potatoes and dust with lime as before. Put six or seven inches of potatoes and lime again; repeat the operation until all are stowed away. One bushel of lime will do for forty bushels of potatoes, though more will not hurt them—the lime rather improving the flavor than otherwise."

LAW FOR LADIES.—In the year of grace 1770, a law was enacted by the English Parliament: "That whoever shall seduce into the bonds of matrimony any of his Majesty's male subjects, by the use of scent, cosmetics, paints, washes, artificial teeth, false hair, Spanish wool, iron stays, hoops, high-heeled shoes, or bolstered hips, shall be prosecuted for witchcraft, and the marriage declared to be null and void." How would such a law work in these latter days—in this year of our Lord 1867? Think of it, oh, ye women!

Democratic State Ticket.

FOR JUDGE OF THE SUPREME COURT,
HON. GEORGE SHARSWOOD,
OF PHILADELPHIA.

Democratic County Ticket.

FOR ASSEMBLY,
WM. P. SCHELL, of Bedford,
HIRAM FINDLAY, of Somerset.

FOR DISTRICT ATTORNEY,
E. F. KERR, of Bedford Borough.

FOR TREASURER,
ISAAC MENGEL, of Bedford Bor.

FOR COMMISSIONER,
P. M. BARTON, of E. Providence.

FOR POOR DIRECTOR,
JOHN I. NOBLE, of S. Woodberry.

FOR AUDITOR,
SAMUEL WHIP, of Cumb. Valley.

FOR JURY COMMISSIONER,
ISAAC KENSINGER, of Liberty.

HENRY W. WILLIAMS,

The Radical candidate for Supreme Judge, stands upon a platform, in which occurs the following language:

"*Resolved*, That warned by past misfortunes, we ask that the Supreme Court of the State be placed in harmony with the political opinions of a majority of the people."

Thus, the Supreme Court, which is the final arbiter between the weak and the strong, between minorities and majorities, is to be swayed by political bias against the rights of that portion of the people *who may happen to be in the minority*. Have minorities no rights which majorities are bound to respect? Nay, are not the fewest number of people *lawyers*, or *jurists*, and is not often the smallest minority right, on questions of law, rather than the mass who have had no legal or judicial education? Who, therefore, could trust a man as Supreme Judge, who will agree to substitute for his own deliberate judgment, the crude opinions of the mob?

Again,

HENRY W. WILLIAMS

is the candidate of a party which holds that a man may repudiate his contract to pay a debt in gold and silver, by paying the same in paper money, thus actually making Government bonds worth no more than ordinary paper money. *This is repudiation*. Who, therefore, will vote for H. W. Williams, and become a *repudiationist*?

THE LATE ELECTIONS.

The radical newspapers are endeavoring to give their followers some crumbs of comfort over the California election. There were divisions in the party, they tell us. There was great apathy, and nearly all their candidates were arrant rascals. We will not deny that apathy and disgust have overcome their party, not merely in California, but everywhere else. Nor will we dispute with our opponents about the character of their candidates; they know them best. But, doubtless, they were as good as the common run of them in Pennsylvania. The explanation of their defeat, however, is not quite satisfactory. The Radical candidate for Governor in Connecticut was Gen. Jos. Hawley, a gallant soldier, and one of the most popular men in the State. Last year he was elected, yet his defeat this Spring is decisive. In Maine, too, the radical candidate for Governor was Gen. Chamberlain, another popular soldier, who was elected, last year, by upwards of twenty-seven thousand. This year he barely escapes defeat, and the Democrats have made enormous gains, swinging some seven counties over to their side. The same "apathy" that caused defeat in California, it seems, was at work in Maine and Connecticut, and will, without doubt, show itself in the fall elections, still more significantly. The simple fact is, that the radical party is staggering under the crushing weight of its violent and revolutionary legislation for the excluded States; under its ignorant and extravagant management of the public revenues; under the flagrant corruptions that have marked the course of its leaders in State and National legislation. Moderate men, everywhere, have taken alarm, and will no longer aid in swelling a majority, which only increases the arrogance and fury of the party leaders. In October next, Pennsylvania will give Radical faction its *coup de grace*.

THE BEAUTY OF RECONSTRUCTION.

At the time of the passage of that series of arbitrary and unconstitutional measures, which the Radicals pleasantly call reconstruction acts, it was earnestly urged by the friends of civil liberty, that they gave too much power to every subaltern who had a taste for exercising it. It was urged that it placed the lives and liberties, the rights and property, of every citizen in the South, at the mercy of any insolent military official who might be employed in carrying it into effect. But we were told that the citizen who felt himself injured, or oppressed, could appeal to the District Commander. We have seen the effect of an appeal, in the recent North Carolina case, when a subaltern interrupted the process of the Supreme Court of the United States. Gen. Sickles promptly ratified the arbitrary act of his inferior, setting his own military orders above the authority of the law, and the decrees of its highest tribunals. To carry an appeal from a subordinate to his district commander is only a solemn farce, and is of as much practical use, as it would be to complain of the devil to his grand-mother.

MORE PLUNDER.

Pomatum, Night Blooming Cereus, Cologne, Toilet Powders, et cetera.

We served up to our readers, last week, from official sources, the disgusting details of radical corruption in our State legislature. On glancing over the shameful account of plunder, from the purloining of sealing-wax to the peddling of prayers by pious radicals, we imagined that it surpassed all example of political pilfering in this or any other land. But we make, this week, an extract from Senate Document No. 53, certified by John W. Forney, Secretary of the Senate. This document rarely finds its way among the people, their representatives kindly furnishing them with blatherskite speeches and garden seeds instead. The following are some of the details given in the document referred to:

For pocket knives, 504 in number,	$1,118 30
For pen-knives, 409 in number,	1,204 60
Making 914 knives for these 52 gentlemen in one year, about 18 each; average cost $2.53, amounting to,	2,322 90
703 pair of shears, about 14 pair each, cost,	325 00
Sponge,	364 76
7,137 pair of scissors, about 22 pair each, at a little over $1 a pair,	1,189 10
210 pair of kid gloves, about 4 pair each, at $2.50 a pair,	525 00
116 diaries,	206 75
294 portfolios, nearly 6 each, at about $4,	1,104 00
446 pocket-books, 8 each, at about $2.50,	1,019 50
309 brushes	324 35
556 pin-cushions,	60 00
1,085 boxes of pens,	1,895 64
2,808 lead pencils	725 33
Newspapers and magazines	3,266 60
2,876½ reams paper,	4,092 39
1,807,454 envelopes,	10,904 97

Other items, such as paper weights, cork-screws, cords, erasers, leather dusters, chamois skins, folders, pen-wipers, blank books, ink-stands, eyelet machines, pamphlet cases, copy books, paper files, pen racks, gold pens, dies, key-rings, match cases, fluid, card cases, memorandum books, combs, cologne, perfumed soaps, pomade, toilet powders, lemons, help to make up a list of miscellaneous articles sufficient to set up in the fancy line all the Senators' poor relations. We always knew that many of the Senators were addicted to clipping out editorials to make up their brilliant speeches, but what in the name of the knife-grinder, did they want with upwards of seven hundred pairs of shears and seven thousand pairs of scissors? When Zach Chandler, the great radical from Michigan, wants to treat his friends Ramsay and Nye, the obsequious Secretary Forney is on hand with a cork screw and the lemons, which go among miscellaneous expenditures. There are pomade and *eau de cologne* for the ambrosial locks of the gifted Sumner; French kid gloves and ivory card case for the dainty Yates in his evening calls; gold pens and perfumed note paper for all our republican Sybarites. Each one gets eight pocket-books worth two dollars and a half each, to carry off the five thousand a year which he voted himself; which is fourteen dollars for every day in the year, including Sundays, and probably more than *thirty dollars a day* for the time actually employed. When our farmers and laboring men, who are staggering beneath an intolerable burthen of debt and taxation, scan this list, they will be able to form some idea of where their money goes.

ELECTION DAY, Tuesday, Oct. 8.

Sometimes some would-be very smart people do some very stupid things. For instance: the Copperhead Attorneys who forced a decision of the Court, sustaining the law disfranchising Deserters in the face of an election.—*Inquirer*.

Wouldn't the truth have served your purpose as well? The Court did *not* "sustain" the disfranchising law, but simply ruled that as no *malice* on the part of Ritchey, the election Judge, was proved by the plaintiff, the jury must find for the defendant. The *Inquirer* would have people believe that Judge King overruled not only the Supreme Court, but his own former decision. The law as settled by Judge King himself and affirmed by the Supreme Court, in Huber vs. Reilly, is, *that no so-called "Deserter" can be disfranchised without having been tried and convicted by the proper tribunal*, and that an *election board is not such a tribunal as can determine the guilt of such so-called Deserter*. We challenge the *Inquirer* to deny that this is the law. Let the men who disfranchise their own fellow citizens, without trial, without judge, or jury, beware! They have escaped punishment this time; but the meshes of the law will not be permitted to hang so loosely about them hereafter.

THE total loss to the Radicals, since the elections of last year, is about 80,000 votes! They, however, gained 60,000 niggers in Tennessee, and disfranchised 100,000 whites in the same State.

THE Democrats have 20 majority on joint ballot in the California Legislature, insuring the election of a Democratic U. S. Senator in place of Conness, Radical.

ANOTHER PROCLAMATION.

Not from Andrew Johnson, granting universal pardon, but from F. Jordan, the irrepressible chairman of the Radical State Committee, offering a big red flag to that county which shall give the largest Radical gain on the vote of last year. The idea is original, piquant, brilliant; worthy of the discoverer of one of Judge Sharswood's boyish speeches. We fancy we see the Radicals rushing frantically to the polls, jostling, tumbling over each other, in their eagerness to get the big flag. Couldn't the chairman throw in a drum and a tin horn? But, we suppose the offer, as it stands, is enough to tempt them to swallow the negro, eboshins, wool and all. It is not probable, however, that Bedford county, from latest accounts, will apply.

It is now supposed that the chairman is about to issue some appropriate testimonial, privately, to that one of the National Banks, which "comes down" with the largest amount for the radical corruption fund of this fall. For fear that the flag idea has exhausted the resources of the chairman, we suggest a *nickel medal*, with some such device as the following: *Pennsylvania*, supported by *Railroad Monopoly*, on the one hand and *Negro Suffrage* on the other, beckoning to Bribery, "persuasive maid"; while the genius of "Greenbacks," mounted on the car of Inflation (in shape of paper balloon) hurls his spear at the dragon of *Specie Payments*. On the reverse, a crowd of *Philadelphia Negroes* rushing to the polls to vote for one of those *Soldiers* whom the "loyal men" forgot to nominate; while in the back-ground, the legislative deck-hands at the State Capital are disposing of the Pennsylvania archives to a noted "fence" near Harrisburg, for waste paper.

Who bids for the medal and the flag?

ELECTION DAY, Tuesday, Oct. 8.

A SUDDEN CONVERSION.

Our friend Mr. Jordan, the Radical candidate for county Treasurer, has, so far as we know, always been a man of temperate habits. This is, without doubt, to his credit. But no sooner was he nominated by the Radical convention, than he began strangely to distrust himself. Suddenly he came to the conclusion that in order to continue to live a sober life, he must join the order of Good Templars. Now, be it known that we object to no man's joining that order, but it seems so queer to us that it was necessary for so exemplary a man as Mr. Jordan to become a Good Templar just after he was nominated for Treasurer. Did he fear the influence of the associations thrown around him by that nomination, or was it *something else* that induced him to "put on the yoke?"

HOW THE TICKET IS TO BE VOTED.

Voters should bear in mind that under recent legislation the manner of voting has been changed. At the coming election, the ticket will consist of two slips, one labeled "*Judiciary*" (which word must be *folded out*) containing the ballot for Judge of the Supreme Court; another labeled "*County*," (which word must also be folded out) containing the ballots for all the other offices to be filled. The two should then be tied together, and thus voted.

THE Radicals are circulating a pamphlet to convince people that Mr. Williams is a great lawyer. His legal battles and victories are rehearsed, with true legal terseness and precision, and the story will, doubtless, convince everybody, that no one in the State is so pre-eminently fit for Supreme Judge as Williams. The cases cited, are given "in the order of time." The first is in 1853; the last in 1864. In all there are 26. Be it remembered that Judge Williams was *affirmed* in all these cases. Truly, this is legal greatness; almost too much for any one man to bear. The man was actually right 26 times in eleven years!

THE *Somerset Herald & Whig* is most respectfully referred to Mr. Schell's pledges on the Railroad question, printed in another column. If our "Republican" friends in Somerset county, will rather stick to their ticket, than send a gentleman to the Legislature capable of advancing their local interests and pledged to do so over his own signature, we cannot complain. The power is in their hands; we shall not obtrude our advice upon them as to how they should use it. Will the *Herald and Whig* be kind enough to copy Mr. Schell's pledges?

17,000!

The Democratic gain in Maine is 17,000 over last year's election. Last year the Democrats did not carry a single county; this year they carry *seven!* There are also heavy gains in members of the Legislature.

MUM—The *Inquirer* on Maine, California and Montana.

THE Radicals *reduced* the State debt, by *borrowing* money at six per cent. to pay off bonds for money loaned to the State at *five* per cent. The bonds redeemed were taxed and brought a large revenue to the State. Those issued by the Radicals, are *not taxed*. A case of *simple reduction*, truly!

ORGANIZE! Now, at once! Lose not a single day! Victory is within our grasp. Who would stand back and lose the long-hoped for triumph by his carelessness? No true Democrat will stay at home at this election. Let *all* turn out—*all*—ALL—ALL—and Pennsylvania will be redeemed as sure as the sun will rise on election day.

IF a man makes a solemn contract with you to pay a debt in *gold*, is it honest in him to insist that you must take payment in *paper*? Judge Sharswood says *no;* Judge Williams says *yes*.—Which of them do you prefer for Supreme Judge?

REMEMBER that SATURDAY, SEPT. 28, is the last day on which assessments of voters can be made prior to the coming election. All persons who voted "on age" last year, must be assessed, or they cannot vote.

COULDN'T one of the Reconstruction Satraps order an election in one of the Africanized Southern States, where all the negroes are allowed to vote, whilst three fourths of the whites are disfranchised, so that the Radicals might have a victory to crow over?

If you want greenbacks to be a legal tender for all debts contracted during the war, vote for Hon. H. W. Williams for Supreme Judge and not for Judge Sharswood.—*Inquirer*.

If you want a Supreme Judge who will enforce an honest contract, vote for Hon. George Sharswood and not for Judge Williams.

THE most cheering reports come from every part of the state. We shall make tremendous gains in the very strongholds of the enemy. Democrats of Bedford county! Be ready to strike a death-blow to Radicalism on the 8th of October next!

Does the *Gazette* want to know whether we are in favor of Negro Suffrage?—*Inquirer*.

About two thousand Republicans in Bedford county "want to know," and you are too cowardly to inform them.

THE *Inquirer* declines publishing Judge Sharswood's opinion in the famous legal tender case, but keeps standing at its editorial head, a garbled extract from that opinion. Cowardly, isn't it?

Deserter stock is below par.—*Inquirer*.

So it seems, for one of the Adjutant General's *deserters* has "got down so low" as to be a member of the Radical County Committee.

Soldiers, while you were in the field imperiling your lives for your country, Judge Sharswood was at home, &c.—*Inquirer*.

Where was Judge Williams?

ELECTION DAY, Tuesday, Oct. 8.

RADICAL THUNDER.

The Radical State Committee are circulating through the State, and endeavoring to place in the hands of Democrats, a lying document, appealing to the pecuniary interest of the voter. We give it entire, and also annex some comments upon it. Read it and notice its falsehoods:

FACTS FOR GOVERNMENT BONDHOLDERS, AND THE HOLDERS OF GREENBACKS.

Read, Reflect—and Hand to Your Neighbor.

In 1861, eleven States seceded; and since then only twenty-three have been represented in Congress, until the admission of Tennessee in 1866.

All the United States Bonds—5-20's, 7.30's and 10-40's—all the greenbacks, and all the National Banks, were created by this Congress of twenty-three States.

President Johnson calls this an "*assumed Congress*"—therefore not legal. His supporters and the Democrats call it a "*rump Congress*," and a "*usurping Congress*," and hence, not a *lawful Congress;* and the great effort has been to *elect* Congressmen in the North, and *admit* enough from the rebel States to enforce this *policy*."

If a Congress, representing but twenty-three States, be not a *lawful* Congress, then every United States Bond, and all our greenbacks, and National Bank notes are worth nothing; because an *unlawful* Congress could not make *lawful* Bonds or *lawful* money.

The mad effort, so recently made by the rebels and their sympathizers, to destroy this Government *by force of arms* failed. Thus far, the attempt to do the same thing *through Congress*, has also failed, because of the action of the loyal voters at the ballot-box; and the last effort at destruction is now being made THROUGH THE COURTS.

Witness the recent attempt by Democratic lawyers to induce the Supreme Court of the United States to issue an injunction, nullifying the Reconstruction Laws of Congress in Mississippi, Georgia, and other rebel States. Read also the opinion of GEORGE SHARSWOOD, the Democratic nominee for Judge of the Supreme Court of Pennsylvania, in which he gravely denies the constitutional power of Congress to make paper money a legal tender.—(*Borie vs. Trott, Legal Intelligencer* of March 18th, 1864, page 92.) Judges WOODWARD and THOMPSON of the same Court, announced from the bench *the same alarming doctrine*, in 1865. (*See Mervine vs. Sailor, et al., Legal Intelligencer of June* 16 & 30, 1865, pages 188 & 205.)

And this, too, in the face of the fact that the Superior Courts of every loyal State in which the question has been raised, have sustained the power of Congress.

It requires, therefore, but little knowledge of either arithmetic or law, to estimate the imminent danger of putting any more men of Judge SHARSWOOD'S opinions on the Supreme Bench of the State!

If you believe the present Congress to be *unlawful*, or desire our National currency and Government Bonds to be declared *unlawful*, vote for GEORGE SHARSWOOD.

If you believe the present Congress to be *lawful*, or desire their action on Currency and Bonds *to stand good*, vote to sustain them,—for the party that *created* the Greenbacks and the Bonds,—the party that sustained the war, and compelled submission to the National authority,—and that stands pledged to keep faith with the Bondholders, and, to maintain the National credit—vote for HENRY W. WILLIAMS, the worthy honored nominee of this party.

Look at the Other Side.

When secession came, Democrats sustained the Government, shed their blood, invested their money in 5-20's, 7-30's, and 10-40's, sent their members to Congress and obeyed the laws that a Congress of twenty-three States enacted. That was *their* Government and they loved it, they defended it, and many of them, died for it.

During the war, eleven States were not represented in Congress, *and they refused to be*. That was a lawful Congress, all obeyed it and all of its laws are binding under the Constitution.

When the war was over the South, submitted, *then* the Radicals *kept them out* to give the negro power. Then "*they acted outside of the Constitution*," as Thaddeus Stevens says.

If it be true, that the Democrats are trying to destroy this Government, how strange it is that they should hold its bonds and notes, and fight and die for it. *Their object* is to preserve it, to bring it within the Constitution, to govern according to law, to economise its resources, and to *pay its debts*.

Are your bonds and greenbacks safer *inside* of the Constitution or *outside* of it? If we have *no Constitution, as Stevens says*, what security have you for your debt? The Constitution is the title deed to the property that *your debt is a lien upon*.

In the case of Borie against Trott, Judge Sharswood decided that a man *who agreed to pay a debt in gold should pay it in gold*. Was not this right? He didn't decide the question of the power of Congress.

You hold a 5-20 or a 10-40 bond, the interest payable in gold. The Government agreed to pay you in gold,—The Radicals and their Judges say the Government *may* pay you in paper. Judge Sharswood holds that a contract to pay in gold should be enforced. Which best suits you? Which is the more honest?

Do you see where this Radical doctrine leads you? They *already* say that the *principal* of the Bonds *may be paid in paper*. If Judge Williams decides that your *interest is payable in paper*, is your contract with the Government carried out? Will he not so decide?

They will pay in paper; *their extravagance* makes it necessary. The interest on *our State Bonds was payable in gold*, the law made it so (*See Act of* 1840.) In 1864, when gold was 1.66, the Radicals in the Legislature passed a law making it payable in paper, on the ground that they could save money, (*See Legislative Rec.* 1864.) Are you any more secure than the Bondholders of the State?

The expenses of the Government are more than its income. The Radicals are expending *two hundred and twenty-five millions* of your money for this year. The Democrats spent *sixty-two millions* the last year they were in power, for the same purposes. Can you sustain this extravagance? Does not the security of your debt consist in prudent management, economy in public business, and in nourishing and developing our resources? Are the Radicals pursuing this course?

If you wish your bond and its interest *paid in paper* and your contract with the Government violated, vote for HENRY W. WILLIAMS.

If you want contracts between man and man, and between the government and yourself carried out, vote for GEORGE SHARSWOOD.

TO THE PEOPLE OF PENNSYLVANIA.

The Radicals attempt to evade the practical issues of the canvass and to delude you into the support of their candidates.

They alone are accountable for the prostration of your business interests. They have deliberately sacrificed them in order to place in the hands of Southern Negroes, the balance of power in the Republic and thus preserve their own rule. More than two years have passed since peace was restored, and we still look in vain for increased products from the South to aid us in paying the interest on our debt, and for her prosperous customers to buy our woolen, iron and other manufactures.

Instead of receiving aid to pay our debt, we are taxed to maintain a freedman's bureau and a standing army in the South. Instead of prosperous customers to increase our trade, every business interest languishes.

Radical mismanagement, a negro policy, and Radical extravagance, weigh down our energies and fetter our resources.

The whole expense of the War Department in 1860 was sixteen and a-half millions, whilst in 1867 it is estimated by the Treasury at forty-seven millions, *both being periods of peace*. To give the Negro the power to rule us, therefore, costs the nation annually thirty millions. Of this amount, Pennsylvania's share is at least one-tenth, and *your* industry must annually pay three millions of dollars to support a policy that closes your woolen mills and stops your factories.

In your State affairs, mismanagement, corruption and extravagance are the rule. In 1860, under Democratic power the whole amount of money appropriated and expended, *independent of funded debt and military expenses*, as shown by the Treasury, was NINE HUNDRED AND NINETY-EIGHT THOUSAND DOLLARS. In 1864, *excluding the same items*, the Radicals appropriated and expended one million three hundred and seventy-nine thousand dollars. In 1865, *excluding the same items*, the Radicals appropriated and expended one million five hundred and nineteen thousand dollars, and in 1866, *excluding the same items*, they appropriated and expended TWO MILLIONS AND ELEVEN THOUSAND DOLLARS. The reports of the Auditor General show these facts, and prove that IN SIX YEARS OF RADICAL RULE YOUR CASH EXPENSES HAVE MORE THAN DOUBLED.

The men who have thus wasted your substance, prate of their loyalty and their sacrifices, and would maintain their hold upon the public treasury by fixing your attention upon other issues. You are oppressed by taxation through internal revenue and other machinery, as no other people ever were. It takes from you, your legitimate profits and gives you no customers. It compels you to stop manufacturing and to discharge your workmen. Your goods remain unsold and your operatives suffer. Can you expect relief from this grinding taxation, so long as these enormous expenditures continue. Relief can only come through economy in public affairs, a reduction in your expenses, and the discharge of corrupt and extravagant officials.

It is their purpose to violate the great principle, "that each State has the right to determine the qualifications of its own electors" and give the negroes of Pensylvania the balance of power between the two great political parties. Negro suffrage is to be forced upon you by Congressional enactment, and your "Supreme Court is to be placed in harmony" with that law, by electing Judge Williams, who is relied upon to decide that the negro is entitled to a right which you and your organic laws deny him. In the Senate of the United States, in July last, the recognized leader of the Radicals of this State voted to proceed to consider a bill that was introduced by Wilson of Massachusetts, to effect this infamous purpose.

DEMOCRATS OF PENNSYLVANIA!

Let the result in California arouse you to renewed exertion. Work is to be done, and *you* must do it. Committees may plan and order, but the result depends upon yourselves. Individual effort is the road to victory. See your neighbor, encourage him, bring him to the polls. Perfect your organizations. Block your wards and townships. Subdivide the labor and perform it with energy.

Press home upon your adversaries the real issues of the canvass. Demand of them that they shall answer:

Are you for or against the Radical policy that destroys our business and closes our work shops, mills and factories, to give the negro the balance of power?

Are you for or against continued corruption, mismanagement and extravagance?

Are you for or against conceding to Congress, the right to allow the negro the power to rule Pennsylvania?

By order of the Democratic State Committee.

WILLIAM A. WALLACE,
Chairman.

To the Electors of Bedford, Fulton and Somerset counties.

I have been nominated for a seat in the Legislature, without any solicitation on my part, for the purpose, as I am informed, of advancing the railroad, mining and other interests of the district. These considerations have induced me to accept the nomination.

In order that there may be no doubt as to my position, in the event of my election, I take this method of declaring my intentions:

1. I pledge myself to use all honorable means, for the advancement of your several interests.
2. I pledge myself to urge the passage of a fair and liberal free rail-road law.
3. I pledge myself to urge the immediate construction of the Southern Pennsylvania and Connellsville Rail Road, and in case that cannot be done,
4. I pledge myself to urge the passage of an independent charter for a rail-road from Harrisburg to Pittsburg.
5. I pledge myself to urge the restoration of the charter of the Pittsburg & Connellsville Rail-Road Company.
6. I pledge myself to urge the incorporation and construction of such lateral rail-roads as may be required in those three counties.
7. I pledge myself to urge the passage of a law, whereby all rail-road companies shall be compelled to carry our local freights at fair and remunerative rates, and be prohibited from making a discrimination in favor of through against local freights.
8. I pledge myself to urge the development of our iron and coal, timber and agricultural interests, by inducing capital to seek investments in our district.
9. I pledge myself to vote for retrenchment and reform in the management of our public affairs.

I am very respectfully,
Your obedient servant,
W. P. SCHELL.

Bedford, Sept. 16, 1867.

—Fitz John Porter has appealed to the President for a new trial, and claims that he has fresh testimony to prove that he was unjustly condemned by the court-martial of 1863. Horace Greely, Senators Sherman and Wilson and ex-Governor Curtin recommend that his request be granted.

SPECIAL NOTICES.

THE GLORY OF MAN IS STRENGTH.—Therefore the nervous and debilitated should immediately use Helmbold's Extract Buchu.

FACTS FOR THE PUBLIC,
Easily verified by examination, which we respectfully invite.

1. We have the largest establishment for the manufacture and sale of Clothing in Philadelphia, extending through from 518 Market street to 511 Minor street, and occupied exclusively by ourselves.
2. Our building, having been constructed by us for our own exclusive occupancy, and for the business to which it is entirely devoted, unites all the conveniences and appliances which have been found necessary or desirable.
3. We have an ample cash capital, enabling us to make *all purchases for cash* and giving us a selection, at the most favorable prices, from the markets of the entire world. IN THIS PARTICULAR WE HAVE ADVANTAGES SHARED BY NO OTHER HOUSE IN THE TRADE. *This fact is well known to the entire business community.*
4. We sell our goods for cash only, which, though it restricts our business to those prepared to purchase in that way, enables us to give them such advantages as no house doing a different business can possibly offer.
5. A business experience of a quarter of a century has informed us fully of the wants of the public and of the best way to meet them.
6. We employ the best and most experienced Cutters and Workmen in making up our goods—the style, fit and make of which are unsurpassed.
7. All persons, whatever may be their physical peculiarities (unless deformed), can be accurately fitted at once from our stock, in most cases better than by goods made to order, and prices 25 to 50 *per cent lower*.
8. Our business is large and constantly increasing, enabling us to keep the largest, best assorted and most complete stock of Men's, Youths' and Boys' Clothing in Philadelphia, to which large daily additions are made of fresh goods, replacing those sold.
9. For reasons already enumerated, we can and do sell at prices *guaranteed in all cases lower than the lowest elsewhere, or the sale cancelled and money refunded*.
10. All goods when offered for sale are represented to be exactly what they are.
11. When buyers are, for any reason, dissatisfied with a purchase made, if reported within a reasonable time, we pledge ourselves, by exchange, refunding of money or otherwise, to give full satisfaction in every case, and request that all such may be reported to us for adjustment.

CONSUMPTION CURABLE BY DR SCHENCK'S MEDICINES.—To cure consumption, the system must be prepared so that the lungs will heal. To accomplish this, the liver and stomach must first be cleansed and an appetite created for good wholesome food, which, by these medicines will be digested properly, and good healthy blood made; thus building up the constitution. Schenck's Mandrake Pills cleanse the stomach of all bilious or mucous accumulations; and, by using the Sea Weed Tonic in connection, the appetite is restored.

Schenck's Pulmonic Syrup is nutritious as well as medicinal, and, by using the three remedies, all impurities are expelled from the system, and good, wholesome blood made, which will repel all disease. If patients will take these medicines according to directions, consumption very frequently in its last stage yields readily to their action.—Take the pills frequently, to cleanse the liver and stomach. It does not follow that because the bowels are not costive they are not required, for sometimes in diarrhœa they are necessary. The stomach must be kept healthy, and an appetite created to allow the Pulmonic Syrup to act on the respiratory organs properly and allay any irritation. Then all that is required to perform a permanent cure is, to prevent taking cold. Exercise about the rooms as much as possible, eat all the richest food—fat meat, game, and, in fact, anything the appetite craves; but be particular and masticate well. 2d w.

WHAT EVERY ONE WANTS.—A good, reliable medicine that will be on hand when required, and never fails when called on. That is now to be obtained in Dr. Tobias' Celebrated Venetian Liniment. Many thousands call it the Wonder of the age, as it does all that is represented and more. It cures Diarrhœa, Dysentery, Colic, Spasms, Vomiting, Croup, and Sea-sickness as surely as it is used, and is perfectly innocent to take internally, even in double the quantity named in the directions; and as an external remedy for Chronic Rheumatism, Cuts, Bruises, Old Sores, Mumps, Toothache, Headache, Sore Throat, Sprains, Insect Stings, Pains in the Back, Chest, and Limbs, thousands have testified to, and their certificates can be seen by any one at the Doctor's Depot, 56 Cortlandt Street, New York. Hundreds of physicians use it in their practice. It has been introduced since 1847, and hundreds who now have it in their houses, say they would not be without it even if it was $10 per bottle. Every drop is mixed by Dr. Tobias himself, and can be depended on. Only 50 cents and $1 per Bottle. Sold by Druggists. Depot, 56 Cortlandt Street, N.Y. Sep13w4

A GENERAL MASSACRE of the fibres of the head, the whiskers, the mustaches, or the beard, can be easily accomplished by the application of the scorching hair dyes, and when every hair is KILLED DEAD, the parties deceived by these nostrums will regret, too late, that they did not use the wonderful and entirely poisonless preparation which, IN FIVE MINUTES, produces a black or brown which is not surpassed by nature's own hue. Be wise in time. The only safe and sure article is *CRISTADORO'S HAIR DYE*. Manufactured by J. CRISTADORO, 68 Maiden Lane, New York. Sold by all Druggists Applied Hair Dressers. sep13w4

It is published by Ticknor and Fields, Boston.

DEMOREST'S ILLUSTRATED MONTHLY.—The October number of this favorite parlor periodical comes to us as rich as ever, in that peculiar array of attractions which render it so welcome in the family circle; and with additional recommendation to the favor of ladies in the shape of an extra fashion plate of large size, which gives the fashionable promenade dresses for this season. This feature is to be continued, without any abatement of other distinctive and popular features—an evidence of enterprise on the part of the publisher which is characteristic, and tells the secret of success. Subscription price, $3, with valuable premium. Address, W. JENNINGS DEMOREST, 473 Broadway, New York.

THE REYNOLDS MONUMENT.—We have been requested to publish the following: A meeting of the Committee of the First Corps, Army of the Potomac, having charge of the Reynolds Monument, was held at Philadelphia, August 13, 1867. All the members were present. The Treasurer reported $6,910,57 on hand, nearly all of which bears interest. The committee decided to erect a semi-colossal bronze statue of the General, in military uniform, on a site already selected in the Soldiers' National Cemetery at Gettysburg. An additional sum of $2,500 is needed to insure the early completion of the Monument. Officers and soldiers of Reynold's Corps disposed to increase their subscriptions, can do so by addressing General C. S. Wainright, Treasurer, at Rhinebeck, New York, or any of the other members of the committee, namely, General R. Coulter, Greensburg, Westmoreland county, Pa; General J. W. Hofman, No. 9 North Eighth street, Philadelphia; Colonel Chapman Biddle, No. 131 South Fifth street, Philadelphia; or Dr. T. H. Bache, No. 233 South Thirteenth street, Philadelphia.

SABBATH SCHOOL CELEBRATION.—Pursuant to previous ararngements, the officers, teachers and pupils of the "Point Sabbath School," assembled at the Point School-house, in Napier township, on Saturday, 14th inst., and after singing a hymn, and prayer by Rev. Mr. Craig, the teachers and pupils were formed into line, and, preceded by Rev. Mr. Craig and Andrew Hiner, by Mr. Joseph Moore and sons, as musicians, the flag of our country, borne by G. H. King, and a beautiful banner, gotten up for the occasion, borne by Wm. Hoover, marched to the grove adjacent to Mr. Winegardner's saw mill, the procession numbering 186, and at the saw mill were joined by upwards of fifty more. A quadrangular table had been arranged in the grove, each side 40 feet in length, which was bountifully filled with substantial and delicate provisions, and around which the teachers and pupils were arranged, when a hymn was sung, and the audience was appropriately addressed by Rev. Mr. Craig, after which the whole audience partook of the sumptuous feast provided by the ladies of the neighborhood. After partaking of the dinner, the teachers and pupils formed in procession preceded by music, and under the guidance of Mr. George Rock, were marched and countermarched through the grove for a considerable time, when they were dismissed, and all retired to their homes highly gratified with the performances of the day. Much praise is due to the ladies for the delicacies provided by them for the occasion, also to the audience for their good conduct during the day. NAPIER.

THE fact that the Commissioner of Internal Revenue has exempted from all tax the funds which are raised by the Washington Library Company of Philadelphia for the endowment of the Riverside Institute; also the Messrs. Geo. A. Cooke & Co., the well-known Bankers, No. 33 South Third street, Philadelphia, have consented to act as receivers of the moneys thus raised, together with the names of those well-known and prominent citizens who have associated themselves with the Institute, and have consented to act as Trustees should certainly be a sufficient guarantee to the public that every pledge and promise will be carried out to the letter. The method adopted for the endowment of this much-needed institution is one by which every individual actually receives more than could be obtained with the same amount of money if expended in the ordinary way. In the distribution of presents every one stands an equal chance, one present being guaranteed for each share of stock. Read advertisement.

And the said act of assembly entitled "an act relating to elections of this Commonwealth," passed July 2, 1819, further provides as follows, viz:

"That the Inspector and Judges shall meet at the respective places appointed for holding the election in the district at which they respectively belong, before 8 o'clock in the morning of the SECOND TUESDAY OF OCTOBER, and each said inspector shall appoint one clerk, who shall be a qualified voter of such district.

"In case the person who shall have received the highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as Inspector in his place. And in case the person who has received the second highest number of votes for Inspector shall not attend, the person elected Judge shall appoint an Inspector in his place, and if any vacancy still continue in the board for the space of one hour after the time fixed by law for the opening of the election the qualified voters of the township, ward or district for which such officer shall have been elected, present at the election, shall elect one of their number to fill such vacancy.

"It shall be the duty of the several assessors respectively to attend at the place of holding every general, special or township election, during the whole time such election is kept open, for the purpose of giving information to the Inspectors and Judge, when called on, in relation to the right of any person assessed by them to vote at such election, and on such other matters in relation to the assessment of voters, as the said Inspectors or ether of them shall from time to time require.

"No person shall be permitted to vote at any election as aforesaid, than a white citizen of the age of twenty-one or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, ten days immediately preceding such election, and within two years paid a State or County tax, which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes aforesaid, shall be entitled to vote after residing in this State six months. *Provided*, That the white freemen, citizens of the United States, between the age of twenty-one and twenty two years who have resided in the election district ten days as aforesaid shall be entitled to vote, although they shall not have paid tax.

"No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants, furnished by the Commissioners, unless: First, he produce a receipt of payment, within two years of State or County tax assessed agreeably to the Constitution, and give satisfactory evidence on his own oath or affirmation of another that he has paid such a tax, or in failure to produce a receipt shall make oath to the payment thereof; or second, if he claim a right to vote by being an elector between the age of twenty-one and twenty-two years shall depose on oath or affirmation, that he has resided in the State at least one year before his application, and make such proof of residence in the district as is required by this act, and that he does verily believe from the account given him that he is of the age aforesaid, and gives such other evidence as is required by this act, whereupon the name of the person so admitted to vote shall be inserted in the alphabetical list by the Inspector, and a note made opposite thereto by writing the word "tax," if he shall be admitted to vote by reason of having paid tax, and the word "age" if he shall be admitted to vote by reason of age, and in either case the reason of such a vote shall be called out to the clerks, who shall make a like note in the list of voters kept by them.

"Every person qualified as aforesaid, and who shall make due proof if required, of his residence and payment of taxes aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent or attempt to prevent any officer of an election, under this act from holding such election, or use or threaten any violence to any such officer, and shall interrupt or improperly interfere with him in the execution of his duty, shall block up or attempt to block up the window or avenue to any window where the same may be holden, or shall riotously disturb the peace of such election, or shall use or practice intimidation, threats, force or violence, with the design to influence unduly or overawe any elector, or prevent him from voting, or to restrain the freedom of choice, such persons on conviction shall be fined in any sum not exceeding five hundred dollars, to be imprisoned for any time not less than one nor more than twelve months, and if it shall be shown to the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward or district where the said offence was committed, and not entitled to vote therein, on conviction, he shall be sentenced to pay a fine not less than one hundred or more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

"If any person or persons shall make any bet or wager upon the result of an election within the Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

The qualified electors will take notice of the following act of Assembly, approved 12th day of March, 1866: AN ACT, Regulating the mode of voting at all elections, in the several counties of this Commonwealth.

1867.—"THE WORLD."—1867.
The attention of the public is invited to the claims of "The World" as one of the leading public journals of the country. It is the chief organ of the Democratic Party of the United States, and the foremost advocate of the immediate restoration of the Union. Its highest merits consists in its character as an enterprising and trustworthy newspaper.
The next year bids fair to be a more critical one in the history of our free institutions than even any eventful ones that have preceded it. The first requsite for an intelligent judgment of public affairs is a full and authentic account of facts as they transpire. These THE WORLD always aims to give with conscientious accuracy, and with equal fullness and fidelity, whether they make for or against its own views of public policy. Prompt activity in spreading before its readers every kind of news in which any part of the public takes an interest, is the first duty of a newspaper, and the facilities of THE WORLD for discharging this obligation are unsurpassed by those of any journal in the United States. Whatever else it may fail in, it certainly will not fail to furnish the news, nor to supply it with such promptitude, spirit, freshness, abundance, variety, accuracy and candor, that no class of readers can miss anything of interest which they wish to find. THE WORLD will publish documents and arguments prepared by political foes just as freely as those prepared by political friends; making its own comments on them, of course, but never suppressing or garbling them because they are calculated to damage its own party. Adverse arguments, which it cannot refute, it is content to leave to make their full impression. THE WORLD adopts this rule because it believes no other is honest; because it conceives that its first duty to its readers is to keep them thoroughly informed on every passing subject of importance. In politics, THE WORLD will continue to be the bold advocate of a Liberal, Progressive Democracy. The unflinching champion of Freedom, Justice, Order and Constitutional Rights. The inspiration of its politics is Freedom restrained by Justice; or, to speak more strictly, Freedom pure and simple, in the largest collective measure; the office of justice being merely to protect freedom from encroachments; Freedom of the individual citizen in his rights of thought, speech, religion and locomotion; in his Right to choose his own food and drink, in spite of meddlesome temperance laws; in his Right to make any money bargains he thinks proper, in spite of foolish usury laws; in his Right to buy and sell in all markets, domestic and foreign, in spite of unjust protective tariffs; in his Right to representation in the legislative bodies which tax him, in spite of unconstitutional exclusions; Freedom of collective citizens to assemble for discussion of grievances; Freedom of all local communities to manage their local affairs without central interference; Freedom in every section of the country from the arrogant and unconstitutional domination of other sections; this large and comprehensive idea of Freedom sums up the politics of THE WORLD, which will never be found wanting to this capital interest of the country and of the human race.
In its accurate Commercial Intelligence and careful, reliable market reports, THE WORLD will continue to maintain its present high reputation. A paper published in the commercial metropolis is naturally looked to for authentic information relating to trade, commerce and finance; and this being a feature in which the THE WORLD prides itself, it boldly challenges comparison with every journal in the metropolis.
EDITIONS.
The WEEKLY WORLD, a large quarto sheet, same size as Daily, is now printed throughout in large type, and has the largest circ
